

About the Meeting

In 2007 IASCA is only holding one membership meeting. Meetings are expensive for our association as well as our ASC's. In light of that we are only going to offer one meeting but have expanded it by one half day to provide time for education and business.

Who should attend

Administrators, Physicians, Nurses, Owners, Coders and Billing Personnel of Ambulatory Surgery Centers. We have designed this meeting with educational sessions for both the Administrative and Clinical side of surgery centers.

Registration Information

We have priced this meeting at a rate that should be affordable for all. The low early registration fee includes 2 breakfasts, 2 lunches, 1 reception.

Hotel Information

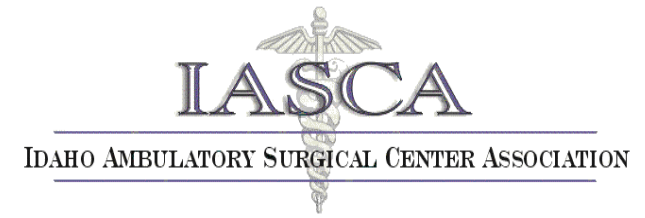

A block of rooms are available at the Grove Hotel until January 12, 2007. Identify yourself as part of IASCA to get the conference rate of \$99. Call 1-888-961-5000 to make your reservation.

Where we stand with Congress!

On plans to advance ASC friendly legislation

Peggy Tighe, J.D., Partner, Strategic Health Care & AAASC Lobbyist

Hear an expert in the field discuss the changes in Washington D.C. and how it will affect your ASC. Learn of the strategy that we all need to take together to insure the future of our businesses.

This session is placed just prior to the legislative reception for physician's convenience.

5:30— Idaho State Legislative Reception

7:00 p.m.

At this reception it is very important that physicians attend as well as administrators. Legislators take the time to come and learn about our businesses and how we function in the communities we work in. We need to take the time to come visit with the legislators so they know us when they return home to their districts.
